

Al Mahara Diving Center is locally owned and operated and managed as per our trade license AL MAHARA DIVING CENTER LLC. It is managed by enthusiastic experienced dive professionals who appear to have a certain amount of sea water running in their veins which is why they need to go diving regularly!! Some of our dive professionals have been teaching for more than 15 years internationally.

We are a premiere PADI 5 Star Instructor Development Center (S-21702) offering our customers a wide range of services. Al Mahara Diving Center offers day trips and overnight trips for diving throughout the United Arab Emirates and Oman, mangrove kayaking, swimming training, lifeguard training within our swim club, marinesports including boat cruising, deep sea fishing, island sea tours and a complete range of products featuring Aqualung, Apeks, Sunnto Dive Computers, Cressi Sub, Diverite, Scuba Pro, Aropec, Trident and Scuba Innovation, Underwater Kinetics, Malibu Kayaks, Camelbak hydration, Princetonetec outdoor and diving lights. If there is a product that is not listed, tell us about it and we may be able to help you get it. Or if you require any equipment advise , our staff are all knowledgeable and experienced divers so will be able to assist you in product selection and recommendations.

Al Mahara Diving Center is dedicated to train PADI professionals through our highly successful instructor development programs. We have a 100% passing rate.

The Al Mahara's management team comprises of some of the most respected and experienced dive and kayak professionals in the industry. All our staff are well qualified to serve our customers.

Learning is FUN!

We provide a stress-free and fun environment for learning and plenty of time for practical application. We can teach in a variety of languages to make learning more at ease for students preferring to learn in their mother tongue. This includes:

English

Arabic

Chinese (Mandarin)

Russian

German

French
