

Emergency Contacts We have compiled a list of emergency contact numbers in the UAE. If you find that a number may not be working please inform us and we will update. We try our best to ensure the contacts are current.

For Environmental Emergencies Abu Dhabi

Emirates Diving Association has a link to all the emergency contacts: http://www.emiratesdiving.com/emergency_number.html

Always be prepared before you go diving or into the sea.

Check the weather and tides.

Have a pre departure checklist and go through it.

Make sure all crew members are fit to be crew that day.
