

Dive Master is the level entry into the world of the PADI Professional and takes you from being a recreational divers to that of a Dive Leader. It is one of the most sought after qualifications of all the professional levels offered by PADI. This is a challenging and demanding course that will not only improve your skills, knowledge and experience as a diver, it will develop your professional, technical and leadership skills and knowledge to enable you to take your place amongst the ranks of PADI Professionals. The aim of this course is to prepare you to take up leadership roles in planning, coordinating, organising and leading diving activities, to teach novice/students divers some courses and elements of other courses and to assist qualified instructors deliver training to novices and experienced divers alike.

Further training will also qualify you to become a Discover Scuba Diving Leader (DSD Leader) and allow you to introduce people to diving for the first time in controlled conditions.
