Master Scuba Diver is PADI's highest non professional recreational diving certification. This is what the best of the best reach for, because the dive possibilities are endless. To become a Master Scuba Diver, you must log 50 dives and complete the following PADI courses:

- PADI Open Water Diver
- PADI Advanced Open Water Diver
- PADI Rescue Diver
- Five PADI Specialty Diver Courses

Prestige isn't easy to earn, but it is certainly well worth it. As a Master Scuba Diver, you'll have a whole new level of training and experience, whether you're diving local wrecks, quarries and reefs, or exploring exciting dive environments around the world.

Take the challenge today and earn yourself the black belt of recreational diving!
