The PADI Rescue Diver Course

“Challenging” and “rewarding” best describe the PADI Rescue Diver course. Building upon what you’ve already learned, this course expands on what you already know about how to prevent problems, and how to manage them if they occur.

The Fun Part

The fun part about this course is rising to challenges and mastering them. Most divers find this course both demanding and rewarding, and at the end, say it's the best course they've ever taken.

What You Learn

- Self rescue
- Recognizing and managing stress in other divers
- Emergency management and equipment
- Rescuing panicked divers
- Rescuing unresponsive divers

The Learning Materials You Need

The PADI Rescue Diver crewpak includes all materials required to complete the PADI Rescue Diver course – including a pocket mask. You'll learn how to think like a rescue diver and preview skills you'll practice with your PADI Instructor. Once your Rescue Diver course is complete, you can review the DVD to refresh your dive safety skills as needed. This tool box of knowledge and technique will give you the expertise to handle almost any emergency situation.
