Note: Timing and location will be advised upon registration depending on availability and age and swim level.

Professional Development Courses 2012

Already an aquatics expert and want to train to be a water safety and swimming instructor and certified lifeguard program. Tried and proven successful program with the highest certification rate in the USA and internationally, Al Mahara Diving Center is proud to introduce the PADI Swim School in conjunction with Starfish Aquatic Institute, USA's largest swimming certification agency.

If you wish to register for our professional development programs, please contact our swim director at swim@divemahara.com or call +971-2 643 7377
