...WE HELP YOU REACH YOUR GOALS.

You've been a scuba diver for over six months, you may have already attained the Master Scuba Diver rating, and treated yourself to several fun-filled scuba diving vacations —but something's missing. Then one day you realize that you not only want to participate in scuba diving, but you want to teach the sport you have come to love.

Become a PADI Open Water Scuba Instructor and take your career anywhere. When was the last time you said, "I love my job! "? Go PRO and you'll be saying it all the time.

Ditch the nine to five office job. Live your dream by transforming the lives of others while teaching scuba diving lessons.

Go PRO with PADI and Al Mahara Diving Center! 100% passing rate, high quality training!

At Al Mahara Diving Center, a PADI 5 Star IDC Dive Center, we are in Abu Dhabi to offer the best instructor development programs in Abu Dhabi. Our instructor development team headed with PADI Course Director, Kathleen Russell 97510 and the IDC team will help train and guide you to your professional development as a PADI Pro. For more information, please contact us at info@divemahara.com or contact Kathleen directly at +971 50 8369530 (mobile). Come visit us at our dive center on Muroor Street.

As a PADI Professional, you'll be part of the largest, most widely recognized scuba training organization in the world.

Where to go pro

You can take the all the professional level courses from Al Mahara Diving Center in Abu Dhabi, UAE. We are dedicated PADI professionals in your success in the IDC and beyond programs. Our smaller class size and personal experience helps each individual to develop their instructional skills and prepare each candidate for the PADI Instructor Examination and beyond.

How to go pro

Whether you're taking your first professional step to become a PADI Divemaster or you're gearing up to be a Course Director - Al Mahara Diving Center can mentor you.

What you can teach

The higher you take your professional career, the more you can teach. Compare the professional levels and what you can do.
