

### The Al Mahara Team 2017

At Al Mahara Diving Center we have a team of experienced and professional instructors and certified assistants to cater to your marinesport and scuba diving needs. Our professional team of PADI, Emergency First Response, RYA certified and SAI Instructors can take you from novice to instructor level training in a variety of disciplines in the water.

**Kathleen Russell, PADI Course Director** as our resident **PADI Course Director and Emergency First Response Instructor Trainer and PADI Swim School Instructor Trainer and Starguard Instructor Trainer**

from Canada. She is passionate about the oceans and also in training new divers and instructor level divers to share her love for the ocean. She is also the Emirates Diving Association Abu Dhabi Committee Coordinator and helps EDA and other companies and institutes to organise many marine environment initiatives including Clean Up Arabia, underwater marine debris clean ups, Reef Check and marine conservation programs. She is also passionate about dive travel, underwater videography and tech diving. You can reach her at
